Sri.P.Sree Ramulu Guta has applied for a certificate of approval for mining purposes. He is an young man without any experience. He was once a depot keeper at Orvoy catering to the Project labourers and was removed having been found untrust worthy. Subsequently he managed to get a ration shop at Bellary and here too he was found unreliable and was removed. He is an undersirable person and also quite incapable of taking up mining indstury. I do not recommend his case.
